Not a Fad

COLD CREAM IS A NECESSITY—NOT A FANCY

With all the advertised "creams" on the market one would think the use of Cold Cream was merely a "fad." This is not so. Cold cream is a necessity—not a fancy. No "secret" cream, massage cream, or anything else takes the place of KIMETIC COLD CREAM tho they all have their individual uses. Kimetic Cold Cream is a soft, creamy, sweet preparation. It beautifies the skin, does not clog the pores or grow hair, and is a natural skin cleanser. Ask for and get Kimetic Cold Cream.

THE EAGLE ENJOYED.

A subscriber dropped in the Eagle office Thursday afternoon to get his paper while on his way home. He said he wanted to congratulate us on the good paper we were putting out, that it was by far the best between Houston and Dallas. His remarks were certainly appreciated, as it is the earnest endeavor of every member of the Eagle's force to improve the paper and perfect it as much as possible. Our press service is the same as that used by the larger dailies and everything that happens up to 4 o'clock is in the afternoon paper.

By the way, why not put the Eagle on your Christmas shopping list? It is a gift that serves as a remembrance six days out of the week, 52 weeks in the year, and if you have some relative or friend away from home it will be a most welcome gift, just like a "letter from home." Send the Eagle to some friend; they will appreciate and enjoy it.

COUNTRY HOME BURNED.

The home of Mr. and Mrs. Will Reed four miles north of Bryan was burned this morning. The Eagle was unable to secure the full particulars but it was reported the house and contents were a total loss with no insurance. Mr. and Mrs. Reed have the sympathy of their friends in their ill fortune.
